

Certificate of Warranty

Warranty Inclusions

RadiantGUARD® warrants all products to be free from defects in material and workmanship for a period of 30 days from the original date of purchase as long as the products are stored or installed indoors once received and not allowed to come in contact with water.

RadiantGUARD® warrants all products to last the lifetime of the building structure in which they are installed as long as they are installed properly and not exposed to the outdoor elements or water.

If, during the warranty period, you discover a defect, we will replace the item or provide a full refund upon receipt of the defected item of which we will arrange for pickup and delivery back to our facilities.

Warranty Exclusions

This warranty does **NOT** cover

- any explicit or implied results or savings as a result of installing **RadiantGUARD®** products,
- loss or theft,
- damage to the product caused by
 - misuse or improper handling, installation, or maintenance,
 - acts of god, such as lightening, wind storm, hurricane, tornado, hail, earthquake, flood or other similar severe weather or similar natural phenomena, or
 - design, application or construction of the structure in which the product is installed, or
- damage to the building structure in which the product is installed as a result of improper installation.
